Work

MaterialDsign.com: Web Designer January 2010 - Present
Take customers through the full process of implementing a fully functional Wordpress website for all kinds of businesses. The process involves choosing a template that suites the customers content needs, implementing the template, setting up all content, customizing layouts with CSS code rewrites, plugins and widgets and then showing the customer how to use their own user panel so that each customer can walk away being a self sufficient web user.

Rich Fulcher (comedian): Social Media Liaison/ Personal Assistant May 2008 – August 2010
Conceived of and implemented all media content to help promote Rich's personal projects including his book "Tiny Acts of Rebellion" and the tour of his one woman show "Eleanor the Tour Whore." Created and maintained two websites for Rich and helped him to build an online audience by growing his Twitter fans from 5,000 to over 30,000 in less than a year.

Davis-Panzer Productions: Production/ Office Assistant August 2008 – January 2010
Ran everyday tasks of keeping the front office going. Managed all specialty movie merchandise. Provided coverage on scripts for Peter Davis.
